2. Effects to the shareholders arising from issuance and offering of the Warrant to the existing shareholders:

1) Control Dilution

In the event that the Company's existing shareholders exercise the whole amount of BRR-W1 and BRR-W2, the existing shareholders will not be affected by the control dilution because the issuance and offering are made to the existing shareholders in proportion to their respective shareholding. However, in the case both BRR-W1 and BRR-W2 are fully exercised by other persons who are not the existing shareholders, the control dilution of the existing shareholders shall be affected by 23.08%.

Formula for = $1 - [Q_o / (Q_o + Q_w)]$

Calculating

Control

Dilution

Whereas:

Q_o = Number of existing ordinary shares which equals to 812,099,845 shares

Q_w = Number of newly issued ordinary shares to be increased upon exercise of BRR-W1 in the amount of 162,419,969 shares (Q_{w1}) and BRR-W2 in the amount of 81,209,984 shares (Q_{w2}), totaling 243,629,953 shares.

Control = $1 - [812,099,845 / (812,099,845 + 243,629,953)]$

Dilution

= 23.08%

2) Price Dilution

As the date of issuance and allocation of BRR-W1 were the same date of issuance and allocation of BRR-W2 but their Exercise Ratio and Exercise Price were different. The Exercise Price of BRR-W1 and BRR-W2 was higher than the weighted average market price of the Company's ordinary shares traded in the Stock Exchange of Thailand backdated for 15 consecutive Business Days prior to the date of the Board of Directors' Meeting held on December 16, 2022 (during November 23, 2022 till December 15, 2022) which was Baht 7.13 per share. Consequently, in the event

BRR-W1 and BRR-W2 are fully exercised by the existing shareholders, they shall not be affected by the price dilution.

3) Earnings Dilution

In the event that the Company's existing shareholders exercise the whole amount of BRR-W1 and BRR-W2, the existing shareholders shall not be affected by the earnings dilution because the issuance and offering are made to the existing shareholders in proportion to their respective shareholding. However, in the case BRR-W1 and BRR-W-2 are fully exercised by other persons who are not the existing shareholders, the earnings dilution of the existing shareholders shall be affected by 23.08%.

$$\text{Formula for} = (\text{EPS}_o - \text{EPS}_{\text{new}}) / \text{EPS}_o$$

Calculating

Earnings

Dilution

Whereas:

$$\begin{aligned} \text{EPS}_o &= \text{Net Profit} / Q_o \\ &= 936,903,230 / 812,099,845 \\ &= 1.15 \end{aligned}$$

$$\begin{aligned} \text{EPS}_{\text{new}} &= \text{Net Profit} / (Q_o + Q_w) \\ &= 936,903,230 / (812,099,845 + 243,629,953) \\ &= 0.89 \end{aligned}$$

Remark: Net profit equals to Baht 936,903,230, by calculating from backdated net profit of 12 months from the consolidated financial statements for the period of 9 months of 2022.

$$\text{Earnings} = (1.15 - 0.89) / 1.15$$

Dilution

$$= 23.08\%$$

Events that Require the Issue of Newly Ordinary Shares to Accommodate the Rights Adjustment

Upon adjustment of the Exercise Price and/or the Exercise Ratio under the conditions of the rights adjustment as stated in these Terms and Conditions of the Warrant, which is an event stated in Clause 11(4)(b) of the Notification of the Capital Market Supervisory Board No. TorJor. 34/2551 Re: Application for and Approval of Offer

In case the Exercise Ratio is required to be adjusted pursuant to the adjustment criteria of the Exercise Price and the Exercise Ratio as per specified in condition on the right adjustment which causes the ordinary shares to be obtained under the Warrant to be in fractions, such fractions shall be discarded.

Nevertheless, in any cases, if the cheque, in connection with the money remaining from the exercise of the Warrant, or the money received but the Warrant is not exercised, or is not eligible to exercise, has been duly delivered via registered mail to the address specified in the form of intention to exercise the Warrant, it shall be deemed that the Warrant Holder duly receives such refund of money and the Warrant Holder shall no longer have rights to claim any interest and/or damages in respect thereof.

In the event that the Warrant Holder fails to make a full payment or makes excess payment, the Company reserves the right to take any of the following actions as deemed appropriate:

- (6.1) Deem that the notification of intention to exercise the Warrant is in accordance with (1) the number of the newly issued ordinary shares entitled to receive according to the rights; or (2) the number of the newly issued ordinary shares entitled to receive according to the actual amount of payment received by the Company, taking into account the Exercise Price and the Exercise Ratio at that time (whichever is lower); or
- (6.2) To require the Warrant Holder to make additional payment in full according to the rights he/she wishes to exercise within the respective Notification Period.
